## PINK COAT'S FINE RACE.

Hawthorne is certainly having a successful ining these days, and yesterday afternoon—Friday, which is always considered an off day on racetracks—a crowd of over 5,000 lovers of horse racing crowded into the magnificent Cicero grounds. There was no stake race or in fact any attraction out of the ordinary line, but the seven overnight races furnished royal sport for the crowd, there being no less than three close exciting finishes.

From a spectacular point of view the sixth event outdid the others. This race was at nine furlongs and had eleven starters and eight of these finished lapped on one another, the first three being so close together that only the judges could place them correctly. Miss Liza got the verdict and it seemed to be a popular victory. The filly was ridden by the midget, Jed Waldo, who is a great favorite with the women folks who attend the races, and when number eight, Miss Liza's number, was hung out there came near being a panic in the stand. Master Waldo got away well and hugged the rail all the way, saving considerable ground. He also kept his wits about him when the pinch came and was deserving of the victory he gained. Behind Miss Liza was a staggering bunch headed by Senator Thompson and seconded by Warrior, who had all he could do to outstay The Devil.

Pink Coat is perhaps the best horse in the western country at a mile or over now and the way in which he disposed of Mint Sauce and won the fifth race at a mile was inspiring. This handsome bay son of Leonatus—Alice Brand picked up 114 pounds and came home in 1:39. It was not so much the fast time that caused the observing ones to comment on the performance, but the way in which Pink Coat "delivered the goods" was what caught the eye of the knowing horseman. He loafed in behind the leaders until the stretch was reached, then went and got them when he got ready in a matter of fact sort of way.

First one day easily in 1:40 and driven out to win in 1:41 another time is Hard Knot's record in the past three days, which goes to show what a poor criterion time is to go by. On Wednesday Hard Knot, with 105 pounds up, beat Mint Sauce and John Baker like cracking sticks, but yesterday, with seven pounds more weight up, it almost took him his life to beat Dissolute by a narrow margin in 1:41.

There is considerable rough riding going on at present and this caused the judges to take sharp action in the last race and disqualify one of the placed horses. Hub Prather, who finished third to Clara Meader and Tim Gainey, was the one that suffered and the decision was met with great approval. Jed Waldo, with the favorite, Vincennes, was crowded and badly interfered with by R. Narvaez and Hub Prather in the stretch; enough in fact to cause Vincennes' defeat consequently the judges sharp action was right in line. Clara Merder, a 20 to 1 chance, won the race simply because she was fortunate in skinning the rails without being interfered with at the head of the stretch.

The field left the post all in a tangle in the second race and it is a wonder no serious accident took place. As it was, the result was a false one and Van Hoorbeke's victory must be credited more to racing luck than to the gelding's ability.

Fancy Wood is a hard one to beat at present, and her win of the five-furlong two-year-old filly race was a sensational performance. Winkfield got Fancy Wood sharply interfered with on the far turn, but she overcame the trouble gamely and at the end was going away in 1:01 flat.

Jolly Roger, Jim W. and Sam Fullen will be

sold at public auction Thursday next at Harlem.

Jockeys Narvaez, Walsh and Kiley were all suspended for one week by judges Kuhl and Trevathan for careless riding. Walsh was on Fridolin in the third race and let his mount bump the other horses freely on the far turn. Kiley did the same thing with Nobleman in the fourth race, while Narvaez, who was on Hub Prather in the closing event of the day, cut off Vincennes, for which his mount was disqualified after finishing third.

Hawthorne puts out a strong card for its closing attraction to-day and, with good weather, it is probable that the attendance record will be broken. There are seven races on the program, including the Northern Stakes, an owners' handicap, and a handicap steeplechase. Six horses of fair class are named in the Northern Stakes, which is at one and one-eighth miles. These are: Milwaukee, 113; Jolly Roger, 112; Clay Poynter, 102; Boney Boy, 101; The Bobby, 98, and Henry C., 98. The owners' handicap, one mile, will call out Malaise, 100 pounds; Miss Mae Day, 90; Alcedo, 90; Norford, 90; The Lady, 90. The starters in the handicap steeplechase are Young Exile, 153 pounds; Passe Partout, 147; Becky Rolfe, 143; Viking, 130; Frond, 127; Minor D., 125; Manchie, 125. For the last race, a selling event at one mile for three-year-olds and upward, there were fifty-six entries. Secretary Letcher weeded out all except twenty-four, and then split the race, leaving twelve to start in each field.

Arrangements have been made to handle an immense crowd at Hawthorne today. Extra trains will be run on the Illinois Central and Burlington, and there will also be an increase in the trolley car service connecting with the elevated lines.

## READY AT HARLEM.

Officials of the Harlem racetrack anticipate that the summer meeting, which opens Monday, will be the most successful in the history of the organization. Everything points that way, and indications are that the season at Harlem will be characterized by high class sport from evenly balanced fields. Secretary Nathanson and Assistant Secretary Chivington will be at the track today with a force of clerks for the purpose of arranging the minor details of Harlem's opening day. For the purpose of receiving entries for Monday's races at Harlem, Hart Dornham will be at Hawthorne this morning from 8 to 10 o'clock.

## ST. LOUIS' NEW TRACK.

Concerning the proposed new track at St. Louis yesterday's Republic says:

"Joseph D. Lucas is going to build his new racetrack at the intersection of the Wabash and Suburban tracks, fifteen miles from St. Louis, in St. Louis county.

"The Kinloch Jockey Club, which will build and operate the new track, filed articles of incorporation in the office of the Recorder of Deeds at Clayton yesterday. The company is capitalized at \$50,000, divided into 500 shares of \$100 each. According to the articles filed yesterday, 240 shares of the stock are owned by Edmund E. Martin, 130 by L. Owen, and 130 by Benjamin Quinn. Daniel G. Taylor, the attorney of the company, said afterward, however, that they were simply employees, and that their names were used in the absence of Messrs. J. D. Lucas, Phil Chew and Edward Butler, Jr., who are the promoters of the new enterprise. The capital has all been paid. The directors of the new track have \$50,000 in their hands right now.

"The object of the club is to encourage and promote agriculture and the improvement of

Winner—Ch. g. by Fonso—Giralda. Went to post at 2:15. Off at the first break to an excellent start. Won cleverly at the end after an early drive; second and third were hard pressed. Fondo was in a good position all the way and came away finely under punishment at the end. Edith Q. ran a good race, finishing with a well-timed rush. Woodstick had no excuses and did his best. Eldred is a quick breaker and showed a lot of speed. Omdurman is a bad betting proposition. He is a slow beginner and had a lot of trouble, and under punishment swerved badly in the stretch. Bugaboo had a rough journey and was shut off in the stretch just as she was making her run. Burnett's Walkaway ran a good race.

Overweights—Al Brown, 1 pound.

Winner—Br. g. by Van Buren—Etta Gilroy. Went to post at 2:45. At post 12 minutes. Start poor. Won driving and out to the last ounce; second, third, fourth and fifth were also driving hard. Van Hoorebeke was lucky to win. He got away well, had clear sailing, and barely lasted long enough to stall off Pirate J.'s rush. The latter improved wonderfully since his last race. Parmenion, perhaps, should have won. He got away poorly and had to run all around his field, and at the end was running past horses. Floridan broke fully in his stride and showed a sharp turn of speed. Tame Irishman was bumped and came within an ace of falling shortly after the start. Zaza ran her race at the post. There was a general mixup shortly after the start and every horse was interfered with more or less.

Scratched—17817 Nullah, 100.

Van Hoorebeke, place, 2 to 1; show, evens. Pirate J., place, 2 to 1; show, evens. Parmenion, show, 3 to 5.

Winner—Br. f. by Prince of Monaco—Sara. Went to post at 3:20. Off at the first break to a fair start. Won easily at the end after a hard early drive; second, third and fourth under keen pressure. Fancy Wood is a filly of good class, was far the best of this field and had to be to win. Winkfield rode a miserable race on the filly. He got her shut off sharply on the far turn and came near being beaten on pounds the best filly. Rega, under a bad ride, ran a good race. She was ridden all over the track in the stretch. Barbara M. had bad luck early and finished stoutly. Ellis Glenn broke running and showed a sharp turn of speed. Fridolin tired at the end. Ransom pulled Telephone Girl up at the start.

Fancy Wood, place, 1 to 2; show, out. Rega, place, 4 to 1; show, 2 to 1. Barbara M., show, 1 to 2.

Winner—Blk. c. by Duke of Montrose—Bow Knot. Went to post at 3:50. Off at the first break to a good start. Won hand ridden; second driving to the limit. Hard Knot was by far the best and had to be to win. Herting got into every pocket available and messed the colt about generally. Hard Knot never got clear and fully settled in his stride until the stretch was reached, then he finished with a tremendous rush. Dissolute, giving away weight to all the others, ran a smashing good race. Nobleman showed a lot of speed, but hung at the end. Star Chamber ran well as far as he went. Etta showed some speed and is probably rounding into form again.

Overweights—Lucky Monday, 4 pounds; Star Chamber, 3.

Winner—B. h. by Leonatus—Alice Brand. Went to post at 4:20. At post 3 minutes. Start good. Won cleverly; the other four were doing their best. Pink Coat is a high class stake horse and in excellent form at present. He perhaps can beat any horse in training at present in the west at a mile or over. Mint sauce had no excuses. He showed a dazzling turn of speed but could not stall off Pink Coat's rush at the end, although he hung on gamely under pressure. Boney Boy seems to be rounding to. Neither Cambrian nor Livadia had any excuses. It was a fast race and equaled the track record.

Overweights—Cambrian, 1 pound.

Winner—Ch. f. by Flatlands—Question. Went to post at 4:50. Off at the first break. Start fair. The first six finished in a heap and were driving to the limit. Miss Liza got away flying, took the shortest route and managed to last long enough to stagger home. Senator Thompson finished with a tremendous rush and would have won in another stride. Warrior ran a good race and finished gamely under punishment. The Devil is only a wreck of his former self. Dad Steele hung in the final sixteenth. Hosi was well up all the way and will improve from this race. Henry C. showed but little speed and is an inferior race horse.

Winner—Br. f. by Wadsworth—Annie Martin. Went to post at 5:20. Off at the first break to a good start. The first four were under keen pressure. Clara Meader came to life suddenly and by skinning the rails in the stretch she saved much ground and finished with a terrific rush. Tim Gainney overcame himself. Hub Prather interfered with Vincennes repeatedly in the stretch and was rightly disqualified. Waldo was of little or no help to Vincennes who was far the best and should have won off by himself. Judge Denny finished with a rush and is deserving of attention in long distance races from now on. San Venado was sharply interfered with at the start and was never in it.

Overweights—Clara Meader, 3 pounds; Jim McCleevy, 1.  
Clara Meader, place, 8 to 1; show, 3 to 1. Tim Gainney, place, 4 to 1; show, 8 to 5. Vincennes, show, 1 to 3. Judge Denny, place, 2 to 1; show, evens.

He was off rather poorly and bothered in the first furlong, but went to the front on the turn and was never afterward troubled. Denman Thompson was doing his best. King's Favorite showed improvement. Boomerack showed early speed, but tired and was probably short. Juniper seemed to have lost his speed.
